

Curriculum vitae

Personal data

First and last name	Vladica Ristić
Address	Kašikovićevo 1-a 11050 Beograd, Srbija
Telepho	+381 11 2833420 Mobile:+381 63 8056109
E-mail	Vladicar011@gmail.com
Citizenship	Serbian
Born	03.10.1974
Sex	male

Work experience

Name and address of the employer	Faculty of Applied Ecology Futura, Metropolitan University, Belgrade, Republic of Serbia
Dates	November 2019. -
Occupation / workplace	Associate professor in the field of Natural sciences (Environmental sciences)
Main business and responsibilities	As the Associate professor - lecturing the following courses: Undergraduate studies: Philosophy of natural sciences, Ecological and economic analysis of spatial capital, Ecological spatial planning, Preservation and improvement of urban ecosystems Master studies: Application of ecological modeling, Natural hazards and environmental risks
Name and address of the employer	Faculty of Architecture, International University Travnik, Travnik, Bosnia and Hercegovina
Dates	October 2018. -
Occupation / workplace	Associate professor in the field of Technical and Technological sciences (Architecture)
Main business and responsibilities	As the Associate professor - lecturing the following courses: Undergraduate studies: Architectural design, History of architecture, Protection of imovable cultural heritage, Building constructions
Name and address of the employer	Faculty of Economics and Engineering Management, University Business Academy, Novi Sad, Republic of Serbia
Dates	October 2018. - July 2020.
Occupation / workplace	Associate professor in the field of Natural sciences (Ecology)
Main business and responsibilities	As the Associate professor - lecturing the following courses: Undergraduate studies: Climatology and pedology
Name and address of the employer	Faculty of Economics and Management, Slobomir P University, Slobomir, Republika Srpska
Dates	October 2017. – October 2018.
Occupation / workplace	Associate professor and Rector of the Slobomir P University

Main business and responsibilities	As the Associate professor - lecturing the following courses: Undergraduate studies: Ecological management Graduate studies: Corporate strategy, Entrepreneurial management As the Rector of the Slobomir P University: The President of the University Senate, governance and coordination of all the activities at the University, representing the University at the Rector's conference of Republic Srpska
Name and address of the employer	Faculty of Applied Ecology Futura, University Singidunum, Belgrade
Dates	Februar 2017. - September 2017.
Occupation / workplace	Assistant professor
Main business and responsibilities	As the Assistant professor - lecturing the following courses: Undergraduate studies: Urban ecosystems, Ambient ecology Graduate studies: Risks, Environmental Project Management, Project Cycle Management. In the capacity of project manager: Creation of project applications; planning and realization of project activities; coordinating relevant project activities in cooperation with partners; organization and realization of training.
Name and address of the employer	Design studio "Our home", Kašikovićeve 1-a, Belgrade
Dates	February 2007 -
Occupation / workplace	Owner and director
Main business and responsibilities	Project management, organization and coordination of designing, development of architectural and construction projects, development of urban projects, construction and projecting supervision, projecting of interior design, analysis and consulting projects
Name and address of the employer	Energotim, Belgrade (closed)
Dates	December 2005 - October 2006
Occupation / workplace	Technical director
Main business and responsibilities	Contract negotiation, design and control of tenders, organization of construction sites and construction, construction supervision
Name and address of the employer	Krip Inženjering, Trnska 4, Beograd
Dates	February 2005 - December 2005
Occupation / workplace	Freelance architecture designer
Main business and responsibilities	Preparation of architectural-construction (conceptual, main and performing) projects, work on tender projects
Name and address of the employer	Agora Kosovoprojekt, Zvečanska 1, Beograd
Dates	August 2004 - October 2004
Occupation / workplace	Associate architecture designer
Main business and responsibilities	Preparation of architectural-construction (conceptual, main and performing) projects, work on tender projects
Name and address of the employer	Public Enterprise "Directorate for Urban Construction and Housing Affairs of the Municipality of Blace"
Dates	July 2002 - March 2004
Occupation / workplace	Main engineer for investments and main urban planner
Main business and responsibilities	Organizing and coordinating the preparation of tender documents, organization of work on the route and construction of local roads, organization and coordination of the urban plan's preparation, organization and promotion of cultural events and fairs

Education

Level of education	PhD studies
Dates	October 2013 - July 2016
Name of qualification awarded	PhD of Environmental Sciences
Name and type of organization where you acquired education and training	Faculty of Applied Ecology Futura, University Singidunum, Belgrade
Degree according to national or international classification	VIII
Level of education	PhD studies
Dates	October 2009 - July 2013.
Name of qualification awarded	PhD of Urban and Ecological Management
Name and type of organization where you acquired education and training	European Center for Peace and Development, University of Peace of the United Nations, Terazije 41, Belgrade
Degree according to national or international classification	VIII
Level of education	Graduate and Undergraduate studies
Dates	October 1995 – June 2002
Name of qualification awarded	MSc and BSc of Architecture
Name and type of organization where you acquired education and training	Department: Architecture, Faculty of Technical Sciences, University of Prishtina, Kosovka Mitrovica
Degree according to national or international classification	VII: BSc is equivalent to the Master of Architecture
Level of education	High school
Dates	October 1989 – June 1993
Name and type of organization where you acquired education and training	Secondary Transport and Technical School, Prishtina Secondary Economic School "Veljko Vlahović", Prishtina
Degree according to national or international classification	IV

Personal skills and competences

Languages

Mother tongue(s)	Serbian
Other language(s)	English, Italian, Czech language, Turkish, Bulgarian, Albanian, Fench, Russian
Self-assessment	

Understanding		Speaking		Writing
Listening	Writing	Speaking interaction	Speaking production	
English				
B2	B2	Konversation 2	Konverzacijski 2	B2

Turkish, Italian, French and Russian				
A1	A1	A1	A1	A1
Bulgarian				
B2	B2	Konversation 1	Konversation 1	B2

Computer skills

Office pacage, AutoCad, ArchiCad, Photoshop, Artlantis, 3D max render, Corel Draw, SPSS

Additional information

Licenses and accreditation

2017: Personal accreditation for the realization of the program of professional development of the employees in the municipalities for the area: Environmental protection and adaptation to climate change, Ministry of State Administration and Municipalities Governments of the Republic of Serbia

2011: Serbian Chamber of Engineers License to the contractor for buildings of more than 12 meters height and 12 meters over the span of the structure no. 401 G007 11 (passed the professional exam for the field works in the Serbian Chamber of Engineers)

2009: Certificate of professional examination for fire protection (professional examination for fire protection in the Ministry of Internal Affairs in Belgrade).

2006: Serbian Chamber of Engineers License for responsible architecture designer br. D272 300 06 (passed the professional exam in the field of design in the Serbian Chamber of Engineers)

2006: Serbian Chamber of Engineers License for the contractor no. 400 A188 06 (passed the professional exam for the field works in the Serbian Chamber of Engineers)

Membership in scientific and professional associations

2018- The President if International Research Asademy of Science and Art / IRASA

2006- Member of the Serbian Chamber of Engineers

Managing and participating in projects

Scientific projects

2018-2021: Participating in the international INTERREG DTP project: Restoring and managing ecological corridors in mountains as the green infrastructure in the Danube Region (ConnectGREEN), financed by EBRD and IPA..

2017-2019: Participating in the international INTERREG DTP project: Strengthening Capacities to Enhance Territorial Attractiveness (ATTRACTIVE DANUBE), financed by EBRD and IPA.

2014-2018: Participating in the national No. III47014 project "The Role and Implementation of the State Spatial Plan and Regional Development Documents in the Renewal of Strategic Research, Opinion and Governance in Serbia", Institute for Architecture and Urban Planning of Serbia, Belgrade

2014-2018: Participating in the national No. 036036 project "Sustainable Spatial Development of the Danube Region in Serbia", Institute for Architecture and Urban Planning of Serbia, Belgrade

Spatial plans

2020: Memeber of the team: the Spatial plan of the Republic of Serbia (Thematic studies, preparation of Draft)

2020: Memeber of the team: the Spatial plan of a special purpose infrastructure corridor railway E-75, E-85, section Belgrade-Niš (Draft, Jun 2020)

2017: Member of the synthesis team: the Spatial plan of a special purpose infrastructure corridor highway E-80, section Niš-Merdare, "Offical Gazzete of the Republic of Serbia", No. 102/17

2017: Memeber of the team: the Spatial plan for Tutin Municipality, "Offical Gazzete of the Tutin Municipality", No. 08/17.

Studies and assesements

2015: Co-author: Expertise on the morphology of rural areas, The study of identification and evaluation of landscape character in Sumadija and Pomoravska districtss, Regional Economic Development Agency for Sumadija and Pomoravlje, Kragujevac, financed by the Ministry of Agriculture and Environmental Protection of the Republic of Serbia

2015: Memeber of the team: Assessment of the potential flood damage, The study for impro-ving the flood protection in the Kolubara river basin, Institute for Water Resources "Jaroslav Cerni", financed by UNDP

2014: Member of team in Serbian Chamber of Engineers to assess the damage from the floods in 2014 in residential buildings in the municipality of Obrenovac

Awards

2017: Second prize at the 26th international "Salon of urbanism" in Nis for: The spatial plan of the special purpose area of the infrastructure corridor of the E-80 highway

Original projects

2002-2018: Original professional realization, management and participation in architectural and construction projects: author of about 100 projects and co-author about 60 projects for residential, business, commercial and tourist facilities in Serbia, Montenegro, Russia, Nigeria, Mexico and Qatar, author and co-author of projects for construction and reconstruction of six sacral buildings in Serbia, Greece and Qatar.

Awards:

2017: II award at the 26th International Salon of Urbanism in Nis, for the work Spatial plan of the special purpose area of the infrastructure corridor of the highway E-80, section Nis-Merdare (co-author).

2005: Third prize at the international competition for the architectural design of the theater in Tyumen, Russia (co-author of the awarded work, preliminary and detailed design, constructed facility)

1997: First prize for interior Invest Bank in Pristina on public competition Invest Bank (author of the awarded work carried out).
