

## STATEMENT

on the accession of the International University of Travnik to Travnik in  
*European Charter for Researchers*  
 and *The Code of Employment of Researchers*

The International University of Travnik in Travnik welcomes and fully accepts the initiative of the European Commission, as well as the recommendations and principles contained in the *European Charter for Researchers* and *The Code of Employment of Researchers*.

*The European Researchers' Charter* and *The Code of Employment of Researchers* are documents of great importance that will contribute to the employment of highly qualified researchers and the establishment of a motivating work environment for researchers.

The International University of Travnik in Travnik will exchange experiences of good practice with other members of this initiative, and especially with those directly involved in the process of hiring researchers.

*The European Researchers' Charter* and *The Code of Employment of Researchers* are an integral part of this Statement.
