## CONFERENCE GOAL

The call for climate actions and greater climate ambitions for the next period of time creates a good momentum for the inclusion of the private sector and financial institutions as well as the academic community in the discussion about the advantages of the green economy and the status of green financing instruments in Bosnia and Herzegovina.

For this reason, the main goal of the Conference is to consider a unique economic model that advocates for sustainable and profitable development through economic, social and environmental benefits for the countries of the Western Balkans, with a special emphasis on Bosnia and Herzegovina.

## THEMATIC AREAS OF THE CONFERENCE

Economic transformation.

Green transition.

Modern business.

Green economy as a driver of sustainable development.

Resource efficiency, carbon reduction and social responsibility.

Using public funds allocated to combat carbon emissions, as well as creating green jobs. Commitment to energy efficiency and biodiversity.

Promotion and support of green finance/financing, technology and investment.

Support for creating and strengthening the skills and capacities of young people, with the aim of changing opinions and attitudes towards the green economy and innovative solutions.

Assessment of data availability and capacity building related to climate change impact and resilience assessment.

Improving social welfare, fighting for justice in society, fighting poverty and reducing environmental hazards.

Development of integral methodologies that will help decision makers in developing effective policies/strategies for adapting to climate change.

Promoting activities for the implementation of Article 6 of the United Nations Framework Convention on Climate Change in terms of international cooperation, education, training and raising public awareness in Bosnia and Herzegovina and beyond, and activities for the implementation of the Paris Agreement.

The role of the media in the implementation of the green economy concept.

The role of public relations in the green economy process.

Normative - legal solutions for building a healthy economy in Bosnia and Herzegovina.

Harmonization of legal norms with the acquis of the EU.

Concepts and ways of measuring the green economy.

The role of technologies in the improvement and improvement of the waste disposal system.

The contribution of the IT sector to green innovations.

Solutions for sustainable urban transport.

Challenges and opportunities in renewable energy.

Biotechnology and genetic engineering.

## OFFICIAL LANGUAGES OF THE CONFERENCE

**Bosnian/Croatian/Serbian and English**

## SUBMISSION DEADLINES

Submission of abstract (up to 150 words)	<b>22.11.2023.</b>
Notice of acceptance of the abstract	<b>29.11.2023.</b>
Submission of work/paper	<b>06.12.2023.</b>
Notice of acceptance of work	<b>13.12.2023.</b>

## SUBMISSION GUIDELINES

We would like to invite authors to send the title and abstract of the paper by **November 22, 2023**. The title and abstract of the work should be written in one of the official languages in BiH, and in English or only in English (title 14 pt bold).

The summary should contain short answers to the questions: what were the motives/goals of the research, what was done, how was it done, what are the main results and what is the significance of the results.

Summarize the answers to a maximum of 150 words. The summary should be written in single-column text, font Times New Roman, size 12, single-line spacing, margins 2.5.

It is necessary to write the title of the paper, first and last name of the author, name of the organization, postal address, telephone number, fax number and e-mail address. At the end of the abstract, list up to five keywords. Send the summary in an electronic form to the Organizing Committee at the following email address: **konferencijaiut@gmail.com**

Along with the notification of acceptance of the abstract, the authors will receive instructions for writing the paper. The papers should be submitted by **December 6, 2023**. The submitted papers will be reviewed, and the Organizing Committee will inform the authors about the acceptance of the paper by **December 13, 2023**.

**Accepted papers will be published in the Proceedings, which is indexed in SJIF with an impact factor SJIF 2023= 8.109 i u DRJI: <http://olddrji.lbp.world/BrowseByCountry.aspx>?**
